Ken Shelton moved to approve the June 14, 2018 minutes and Renee Kumor seconded. Staff presented various cover pages for the committee to select. The pictures used in the cover page depicted a person riding a bicycle without a helmet and it was decided that all pictures should show people using equipment properly and safely. Committee members stated they would like pictures that showed various uses and users of greenways (families, strollers, dogs, biking, etc.).

Committee members then reviewed the draft “Introduction” and “Recommendations” sections. Suzanne Hale, Renee Kumor, and Linda Giltz provided content/grammatical edits after the meeting. The Priority Greenways map and the Area Feasibility Studies’ Status map were also reviewed. Joe Sanders pointed out that in the inset map for the Priority Greenways, Sullivan Park was not labeled. Committee members mentioned wanting to see other regional trails mapped that may connect to what the plan proposes.

Committee members were asked to provide photos that would work in the plan. Autumn Radcliff is to send the photo release form for any photos taken of people. At the end of the meeting, Stedman Smith announced his resignation from the County and wished the committee well.
