

REQUEST FOR BOARD ACTION

HENDERSON COUNTY PLANNING BOARD

MEETING DATE: January 17, 2019

SUBJECT: Rezoning Application #R-2018-08C Haywood Park Estates

PRESENTER: Eric Warren, Planner

ATTACHMENTS: 1.) Staff Report
2.) Master Plan
3.) PowerPoint

SUMMARY OF REQUEST:

Rezoning Application #R-2018-08C was initiated on December 03, 2018 and requests that the County conditionally rezone approximately 18.35 acres of land from Residential Two to Residential One Conditional District. The acreage consists of 8 parcels (PIN: 9650-06-9662, 9650-17-5207, 9650-16-5805, 9650-16-4528, 9650-16-1443, 9650-16-3229, 9650-16-4056). The property owner is Spano & Associates Haywood, LLC. Scott Burwell will be serving as agent.

The Technical Review Committee will discuss this item at its meeting on January 15th.

PLANNING BOARD ACTION REQUESTED:

The Planning Board has 45 days from its first consideration to provide a recommendation to the Board of Commissioners or the request is forward with a favorable recommendation. Staff requests the Planning Board make a recommendation to the Board of Commissioners to approve, approve with modification or deny the rezoning application (#R-2018-08C) to rezone the Subject Area to a Residential One conditional zoning district (R1-CD).

Suggested Motion:

I move that the Planning Board recommend the Board of Commissioners (approve, approve with modification or deny) rezoning application #R-2018-08C to rezone the Subject Area to a Residential Two (R2) to conditional zoning district (R1-CD) based on the recommendations of the Henderson County 2020 Comprehensive Plan.

1. Rezoning Request

- 1.1. **Applicant:** Spano & Associates Haywood, LLC
- 1.2. **Property Owner:** Spano & Associates Haywood, LLC
- 1.3. **PINs:** 9650-06-9662, 9650-17-5207, 9650-16-5805, 9650-16-4528, 9650-16-1443, 9650-16-3229, 9650-16-4056
- 1.4. **Request:** Rezone subject area from a Residential Two (R2) zoning district to a Residential One Conditional (R1-CD) zoning district.
- 1.5. **Size:** Approximately 18.35 acres of land
- 1.6. **Location:** The subject area is located on Haywood Rd (NC 191) approximately a third of a mile south east of the intersection of N Rugby Rd (S.R. 1365) and South Rugby Rd (S.R. 1309). The property is adjacent to the west of West Henderson High School.

Map A: County Context

Map B: Aerial Image

Map C: Current Zoning

2. Current Zoning

2.1. **Application of Current Zoning:** The subject area is currently zoned Residential Two (R2). (See Map C).

2.2. **Adjacent Zoning:** The subject area is adjacent to mainly Residential Two (R2) zoning. There is a section of Estate Residential (R-40) zoning across Haywood Rd. (NC 191) to the south.

2.3. **District Comparison:**

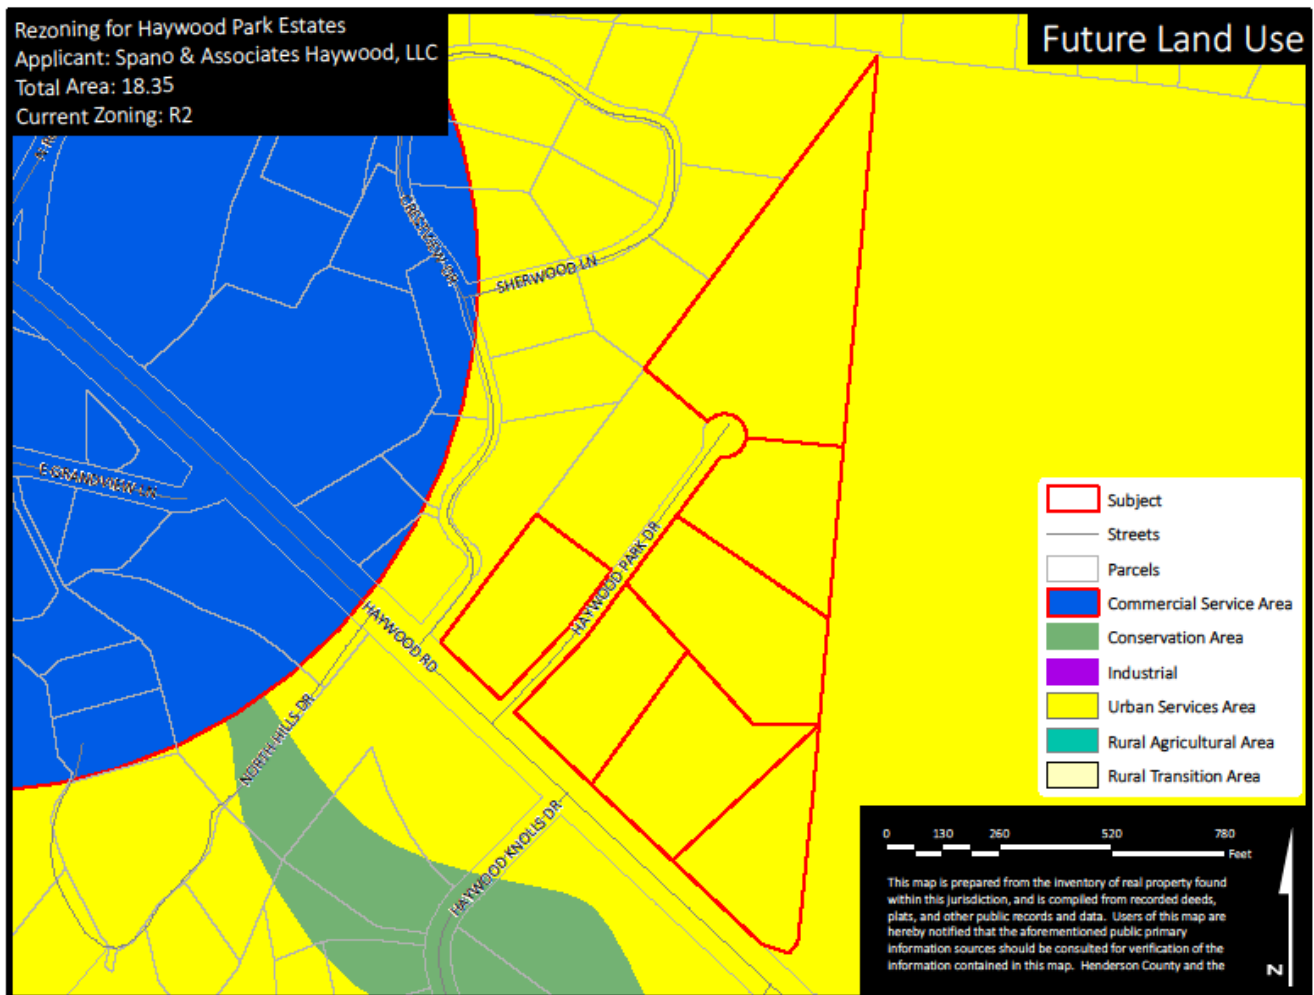

2.3.1. **Residential Two (R2):** “The purpose of Residential District Two (R2) is to foster orderly growth where the principal use of land is residential. The intent of this district is to allow for low to medium density *residential development* consistent with the recommendations of the *Comprehensive Plan*. It is also the intent of this district to allow for flexibility in the continuation of existing nonresidential *uses*. This general *use district* is typically meant to be utilized in areas designated as Transitional (RTA) in the *Comprehensive Plan*.” Standard density is one unit per acre with a max density of two units per acre (LDC §42A-28).

2.3.2. **Residential One Conditional District (R1-CD):** “Conditional Zoning Districts are created for the purpose of providing an optional rezoning choice where the owner of property proposes to rezone property and, in order to, among other reasons, carry out the purposes of the Comprehensive Plan, proposes to impose special limitations and conditions on the use of the property proposed for rezoning.”

2.3.3. Residential density calculations will follow the Residential One (R1) zoning district.

2.4. **Water Supply Watershed:** The subject property is located within the WS-IV-PA and allows a maximum built upon limit of 24% under the Low-Density option.

Map D: 2020 County Comprehensive Plan Future Land Use Map

3. Current Uses of Subject Area and Adjacent Properties

3.1. **Subject Area Uses:** The subject area is comprised of 7 vacant lots created by an approved 8 lot, residential subdivision plan for Haywood Park Estates from 2007.

3.2. **Adjacent Area Uses:** The surrounding properties contain mainly residential uses with a high school adjacent to the east.

4. The Henderson County 2020 Comprehensive Plan (CCP)

4.1. The CCP Future Land Use Map identifies the subject area as being located in the Urban Services Area (USA). A Community Service Center node is located 192 feet to the north west of the subject area (2020 CCP, Pgs. 128, 129 & Appendix 1, Map 24). (See Map D).

4.1.1. **Urban Services Area:** The CCP states that, “the USA will contain considerable commercial development at a mixture of scales,” and further, “all regional commercial development should be concentrated here. Commercial development will exist within predefined zoning districts whose standards and configuration are in keeping with the surrounding community. The USA will essentially contain all existing and future industrial developments, which will be the future focus of economic development activities” (2020 CCP, Pg. 129).

5. Water and Sewer

5.1. **Public Water:** The project will utilize public water. City of Hendersonville water currently serves the project site along Haywood Park Dr.

5.2. **Public Sewer:** The applicant proposes connection to the Cane Creek Sewer District sewer system. Gravity sewer lines are in place on the southern and eastern boundary of the project site.

6. Proposed Residential One Conditional District

6.1. **Proposed Use:** The subject area is comprised of 7 vacant lots created by an approved 8 lot, residential subdivision plan for Haywood Park Estates from 2007. The applicant is proposing to use the site for a residential development. Based on the number of proposed lots within the subject area the applicant is requesting a higher density conditional zoning district in order to maximize the density of the development. The Conditional District will also allow the Board of Commissioners to place conditions or restrictions on the property as needed. The applicant proposes the following development:

- 33 lots for single family dwelling units
- 1.20 acres of open space (6.54%)
- Average lot size of 0.52 acres (22,638 sq. ft.)
- Average Density of 1.80 units per acre
- 2 parking spaces per single family dwelling unit
- 1,802.54 linear feet (0.34 miles) of new roadway

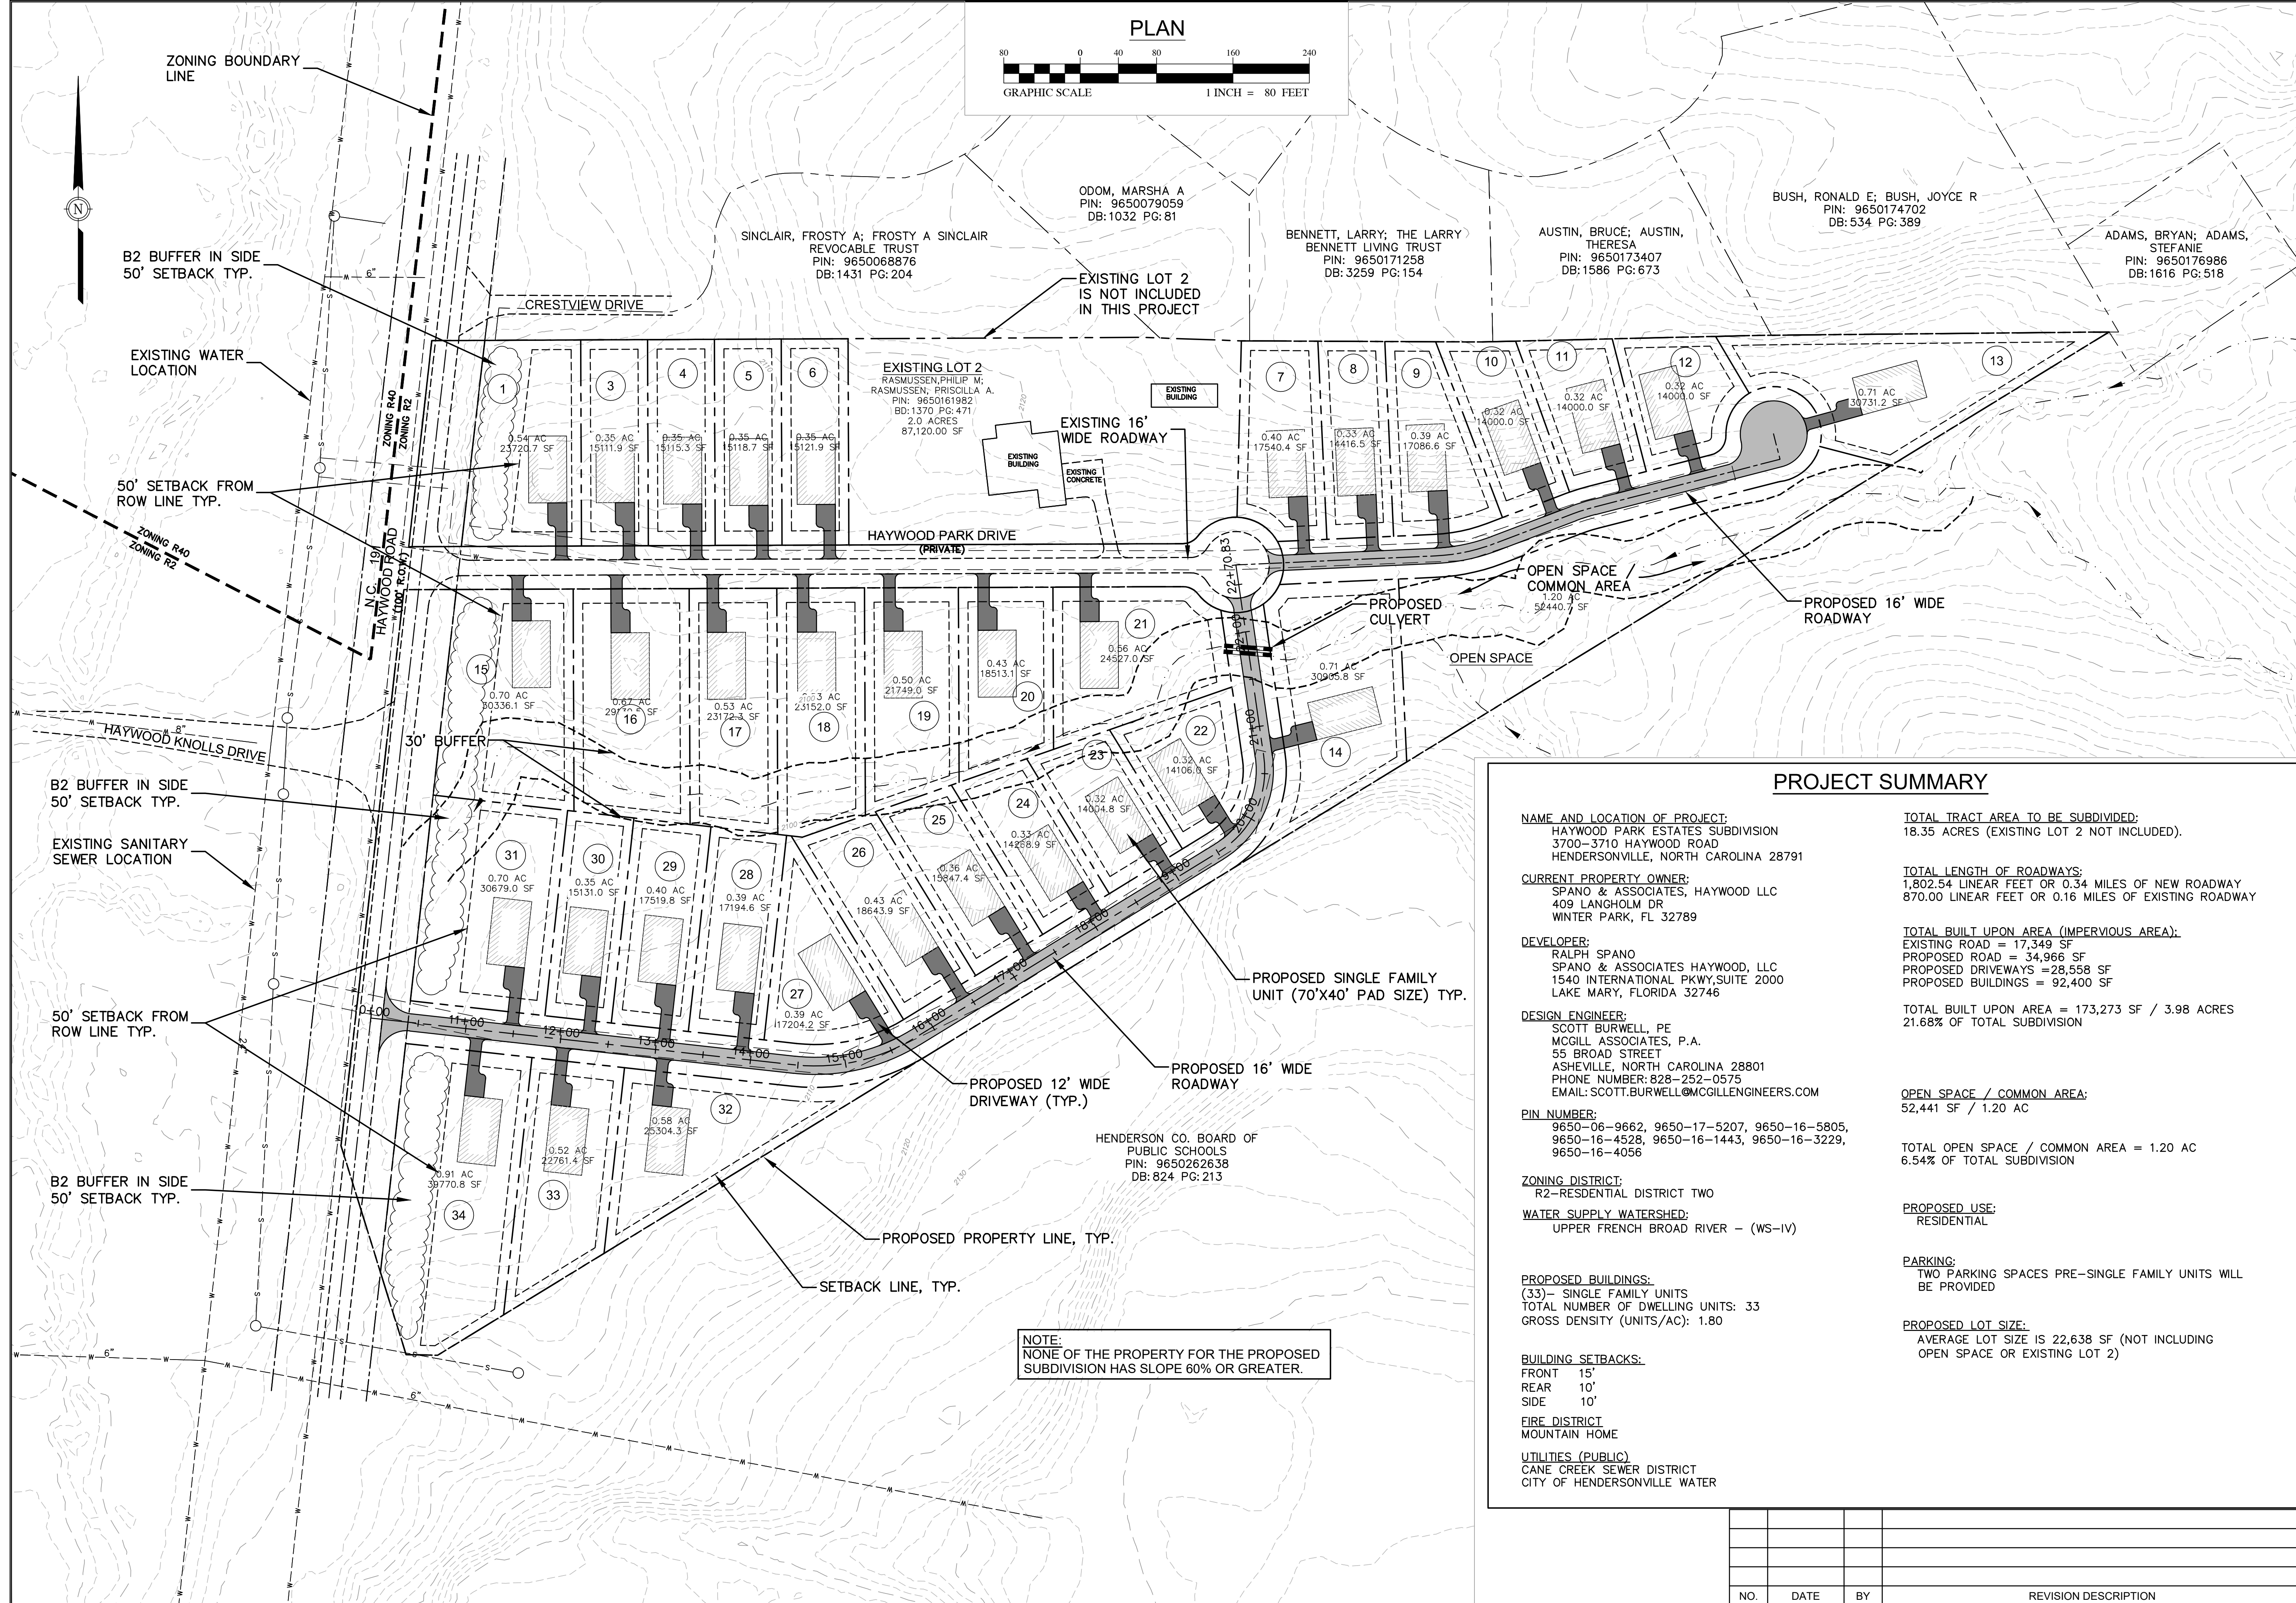

7. Staff Comments

7.1. The current owner of Lot 2 (PIN 9650-16-1982) from the existing subdivision has been notified of the rezoning application by the Henderson County Planning Department.

7.2. **The 2020 CCP:** The CCP Future Land Use Map (See Map D) places the Subject Area in the Urban Services. The text and map of the 2020 CCP suggest that the Subject Area would be suitable for residential development.

7.3. **Adjacent Zoning:** The subject area is adjacent to Residential Two (R2). Adjacent to Estate Residential (R-40) to the south across Haywood Rd (NC 191).

- 7.4. **Comparison of Districts:** The existing Residential Two (R2) zoning district allows for primarily residential type developments. The proposed density on the subject area is not currently permitted within the R2 zoning district. The Residential One Conditional District (R1-CD) allows a proposed development of higher density, under an approved site-specific plan with the option for additional conditions. Proposed residential density calculations follow the Residential One (R1) zoning district. (Refer to Attachment: Zoning District Comparison)
 - 7.5. **Master Plan:** The rezoning request requires a site-specific plan which includes a master plan requirement for the proposed development phases. (See Attached Master Plan Report)
 - 7.6. **Conditional Zoning Districts:** In approving a petition for the reclassification of property to a Conditional Zoning District, the Planning Board may recommend, and the Board of Commissioners may request that reasonable and appropriate conditions be attached to the approval of the petition. Conditions and site-specific standards shall be limited to those that address the conformance of the development and *use* of the site to County ordinances and any officially adopted *Comprehensive Plan* or other land *use* plan, that address the impacts reasonably expected to be generated by the development or *use* of the site. (LDC §42-48)
8. **Technical Review Committee (TRC) Recommendation**
- 8.1. The TRC will hear the subject application at the scheduled January 15, 2019 meeting.
