May 2017

Submitted by:  
Jerrie McFalls, Director

~ On May 1, Dr. Jennifer Hensley presented information to our County Commissioners on Family Centered Treatment (FCT). Jackie Latek from the SPARC Network, the agency we contract with for this service and Kevin Marino, SWPA supported Dr. Hensley in answering questions. Thank You!

~ I attended the annual statewide Directors meeting from April 26th through April 28<sup>th</sup>. Presentations were made on NC Fast roll out including P3 which is child care subsidy and P4 which is child welfare. There was much discussion in the legislative work session about SB 594/HB608. Senator Barringer has requested that NCACDSS continue to meet with her regarding the bill. I will provide additional information on these bills as a part of Old Business.

~ I met with Sheriff Charlie McDonald on May 9<sup>th</sup>. They have a tentative plan on how to provide deputy support for our on-call staff. The plan would give us deputy back up Monday through Saturday. We would use patrol on Sundays when we need their assistance. I feel positive about the plan and will work with the Sheriff on implementation.

~ This year's county fee schedule will include several fees collected by the Department for specific services. The fee schedule will be presented as part of the 2017/2018 budget. Included will be: Fees for supervised visitation and home studies in private civil cases; adoption intermediary fees, Health Choice fees and Child Support fees. Supporting policy is available for your review.
