2. Current Zoning (see Map C)

2.1. **Application of Current Zoning:** The subject area is currently zoned as Residential Two Rural (R2R)

2.2. **Adjacent Zoning:** The subject area is adjacent to Residential One (R1) to the south and west, Residential Two Rural (R2R) to the north and east.

1) R2R enforces a standard density requirement of 1 unit per 1 acre and 15 to 90-foot front yard setbacks with 10 ft. side and rear setbacks.

2.3.2. **Residential One (R1):** The purpose of Residential District One (R1) is to foster orderly growth where the *principal use* of land is residential. typically meant to be utilized in areas designated as Urban (USA) in the *Comprehensive Plan*. (Chapter 200A, Land Development Code §42A-27)

2. Current Uses of Subject Area and Adjacent Properties

- 2.1. **Subject Area Uses:** The subject area includes three (3) separate parcels. Of the parcels in the subject area one (1) is being used as the residents of the property owner while the remaining two (2) are vacant lots.
- 2.2. **Adjacent Area Uses:** The surrounding properties contain primarily residential uses, including some high-density on West Fairway Drive. South-west of the subject area is the Etowah Valley Golf Club & Lodge.

3. The Henderson County 2020 Comprehensive Plan (CCP)

- 3.1. The CCP Future Land Use Map identifies the subject area as being located in a Rural Transition Area (2020 CCP, Pgs. 138 & Appendix 1, Map 24). (See Map D).

Map D: 2020 County Comprehensive Plan Future Land Use Map

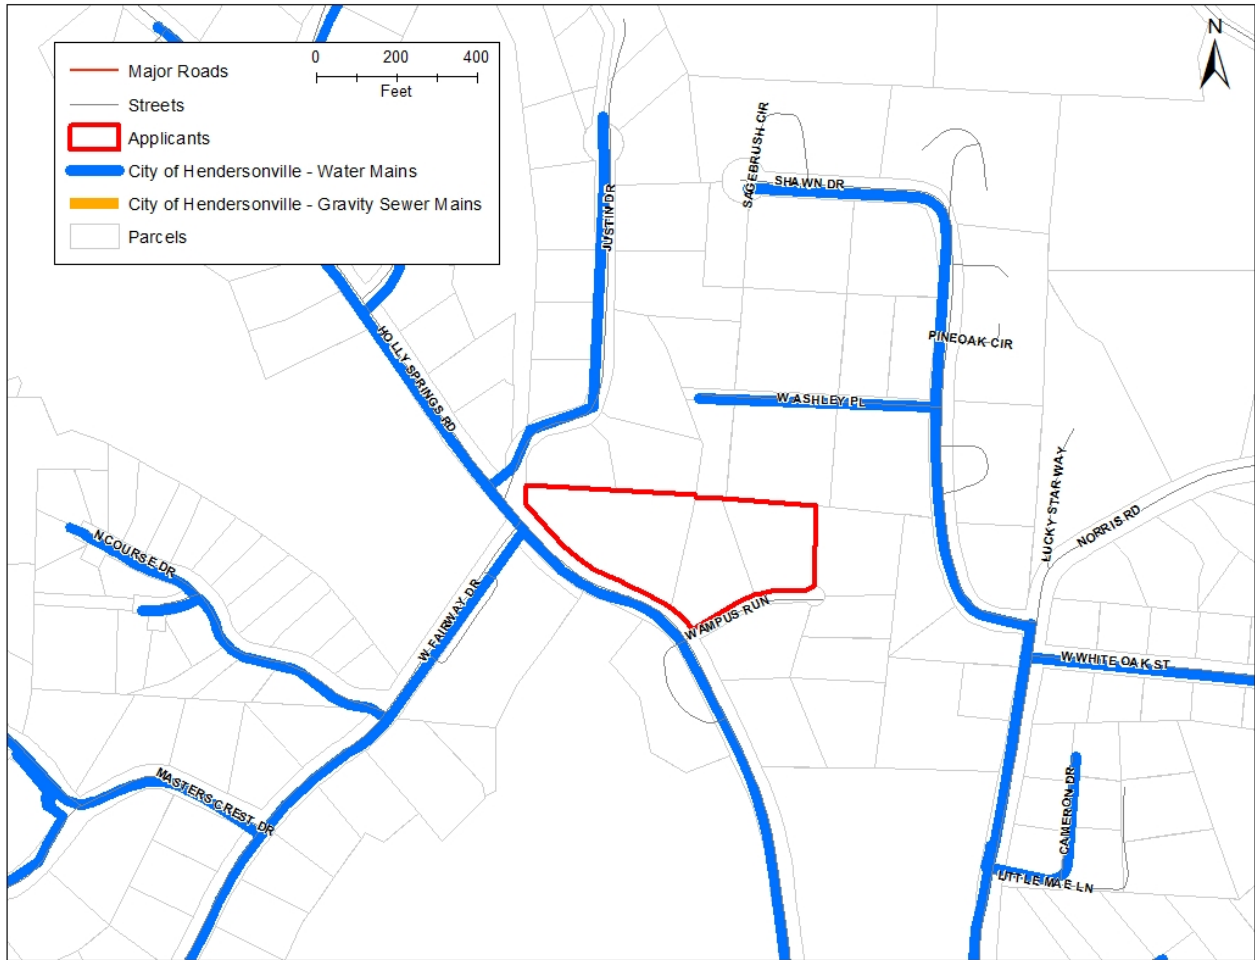

Rural/Urban Transition Area (RTA): The CCP states that, “RTA” (*Rural Transition Area*) “is currently rural in character, with existing pockets of limited higher density residential and commercial development. Slopes vary across the RTA, although the area can be considered to be generally developable. The primary factor preventing urban development in the RTA is the absence of sewer and water service. The RTA will continue to experience extensive development over the operational timeframe of this Comprehensive Plan.” (2020 CCP, Pgs. 134)

4. Water and Sewer (see Map E)

4.1. **Public Water:** City of Hendersonville water main lies adjacent to the subject area.

4.2. **Public Sewer:** City of Hendersonville records shows that sewer access is not available near the subject area.

Map E: Water and Sewer Map

5. Staff Comments

- 5.1. **The 2020 CCP:** The CCP Future Land Use Map (See Map D) places the Subject Area in the, Rural/Urban Transition Area classification. The text and map of the 2020 CCP suggest that the Subject Area would be suitable for pockets of limited higher density residential development.
- 5.2. **Adjacent Zoning:** The subject area is adjacent to R2R and R1 zoning districts.
- 5.3. **Comparison of Districts:** The applicant wishes to be zoned Residential One, as the adjacent parcels across from Wampus Run are so that there could be a possibility of subdividing the property more densely than as currently allowed.

6. Staff Recommendations

- 6.1. It is staff's position that the subject area meets the technical requirements to become a Residential One zoning district.

7. Technical Review Committee Recommendations

- 7.1. TRC will review the application at its meeting on February 20th, 2018.
