

# REQUEST FOR BOARD ACTION

## HENDERSON COUNTY TECHNICAL REVIEW COMMITTEE

**MEETING DATE:** March 21, 2023

**SUBJECT:** LDC Text Amendment – TX-2023-02, Primitive Campground

**PRESENTER:** Autumn Radcliff, Planning Director

**ATTACHMENTS:** 1. Draft Amendment

### **SUMMARY OF REQUEST:**

Planning staff received an application for a text amendment (#TX-2023-02) to add a specific use for primitive campground that would include a definition and SR standards. The Land Development Code (LDC) does not specify primitive campgrounds from other campground types. This use would allow for small campgrounds that are strictly primitive in rural areas.

The Planning Board will review and make a recommendation on the application at its meeting on March 16<sup>th</sup>.

### **BOARD ACTION:**

The Technical Review Committee is requested to review on the proposed amendment before forwarding to the Board of Commissioners. The Board of Commissioners must hold a public hearing prior to adopting any amendments to the Land Development Code.

**Suggested Motion:** I move that the Technical Review Committee find no issues with the proposed text amendment (TX-2023-02) and request that it be forward to the Board of Commissioners per the recommendation of the Planning Board.
