

Article 6.6 (O) Inspections**3. Annual Maintenance Inspections**

Inspections shall be conducted as prescribed by the Operations and Maintenance Agreement. The person responsible for maintenance of any structural BMP installed pursuant to this Section shall submit to the Stormwater Administrator an inspection report from one of the following persons performing services only in their area of competence: a qualified registered North Carolina professional engineer, landscape architect or person certified by the North Carolina Cooperative Extension Service for stormwater treatment practice inspection and maintenance. The inspection report shall contain all of the following:

- a. The name and address of the land owner;
- b. The recorded book and page number of the lot of each structural BMP;
- c. A statement that an inspection was made of all structural BMPs;
- d. The date the inspection was made;
- e. A statement that all inspected structural BMPs are performing properly and are in compliance with the terms and conditions of the approved maintenance agreement required by this ordinance; and
- f. Signature and seal of a registered engineer, landscape architect or person certified by the North Carolina Cooperative Extension Service for stormwater treatment practice inspection and maintenance.

All inspection reports shall be on forms supplied by the Stormwater Administrator. An original inspection report shall be provided to the Stormwater beginning one year from the date of as-built certification and each or before the date of the as-built certification.
